Letter Of Appreciation

Dear Ahmet Artuç,

we hereby want to thank you for reporting us a security issue on our website: wissensraeume.online.uni-marburg.de

Ahmet Artuç found out that a critical server side vulnerability affected the above mentioned domain.

Through this report, we were able to fix the issue and improve the security of our IT infrastructure.

We appreciate you using responsible disclosure and your efforts enabling us to improve our security. We wish you all the best for your future.

With kind regards

Lukas Härter
