Appreciation Letter

Dear Ahmet Artuç,

You have reported vulnerabilities in one of our systems. Please accept this letter in recognition and appreciation of your efforts in pointing out vulnerabilities on the IT infrastructure of our university. You have helped us greatly in improving IT security with hints on

- **PHP Information Disclosure**

The vulnerabilities have been fixed immediately. On behalf of the Ruhr-Universität Bochum, we thank you for your work on security.

Unfortunately, your efforts cannot be honored in a Bug Bounty Program, since one does not exist at our university yet. However, I hope you will accept this letter as an expression of gratitude.

Kind regards,

Florian Groß
